NUTRITIONALS:

The North Carolina Food Supplement Contract 393C contract terminated on **October 31, 2007**. These products will be available on the MMCAP (Minnesota Multistate Contracting Alliance For Pharmacy) Term Contract 269A. The Prime Vendor Cardinal Distribution. **Please see this Term Contract 269A, Drugs And Medicine for purchasing information.**

Note: Any agency who is not a current member of MMCAP must complete an application to purchase from this contract. The application may be downloaded at the following website:

http://www.mmd.admin.state.mn.us/mmcap/background_new_member_info.htm

Download the application, complete and fax to NC Division Of Purchase And Contract, Attn: Marilyn Wall at (919) 807-4509 for approval.

MMCAP members have the option of ordering nutritionals through Cardinal or direct from the manufacturers.

Information for direct orders;

Abbott Nutrition: MMCAP Members can call Customer Classification department at 800-986-8779 to establish a direct purchase record. Abbott Nutrition provides direct shipment to MMCAP members that can order a minimum of 10 cases. Abbott charges no shipping or handling fee for orders with 10 cases or more. It takes approximately 5 business days to receive orders. Any next day delivery requests have an upcharge per case added to the order.

Term Contract No. 269A

The upcharge amount depends on the location and actual logistic charges. Abbott Nutrition payment terms are 2%/ 10 NET 30. The pricing available on a direct basis would be the same as MMCAP's current contract pricing.

My understanding was that North Carolina was mainly interested in MMCAP's contract with Abbott Nutrition. The Nestle Nutrition products can be purchased direct. However, the Nestle Healthcare (old Novartis) products cannot be purchased on a direct basis at this time.

For price comparison, There is no shipping or delivery fee from Cardinal. When ordering 10 or more cases from Abbott Nutrition, the pricing should be equivalent.
